

SYT Equality, Diversity & Inclusion Pledge

At Somerset Youth Theatre, we believe theatre belongs to everyone.

We are committed to:

- Creating **safe, inclusive and neuro-affirming spaces** where every child and young person feels valued and represented.
- Ensuring equal opportunities for all, regardless of **age, gender, ethnicity, disability, sexuality, social background, religion or belief**.
- Breaking down barriers to participation by offering **flexible, accessible opportunities** that respond to the needs of children, young people, parents and carers.
- Celebrating the **diverse voices and stories** of Somerset's communities, placing them at the heart of our theatre-making.

Our promise: SYT will always champion diversity, inclusion and equality – empowering children and young people to tell their stories, shape their futures, and create lasting change.
